

Basil

Ocimum basilicum

British Basil TZ 6098

General Description:

Selected to be suitable for growing outdoors in UK conditions. British Basil has a very robust, bright green leaf that is more resistant to colder conditions but retains a traditional intense flavour.

Profile:

Type

Cross between Genovese and Thai basil

Leaf Shape

Oval

Leaf Colour

Dark green

Flavour profile

Full flavour, traditional basil flavour with slight Thai undertones

Remarks

Weather resistant, outdoor growing but also performs well in protected cropping. Robust leaf tolerant to bruising.

The information that has been provided is an average of the data gathered from various trial locations. Please be aware that variations in the growing environment and climatic conditions can render this information inaccurate, it is intended for general guidance only.
