

Celery

Victoria F1

Hybrid

General Description:

This is the UK's market leader for early and mid-season celery production. This variety is mid green colour, tall with fleshy petioles. This quick growing hybrid has good standing ability, is slow to bolt from early plantings and performs well under difficult spring conditions. Victoria is one of the best flavoured celery varieties available.

Profile

Maturity Slot:	Early/main season	Petiole colour:	3
Height to 1st knuckle (cm):	30	Petiole texture:	2
