

PUMPKIN

Wicked F1

General Description:

Wicked has been bred to provide superb quality larger 'monster' Halloween pumpkins specifically suited to cultivation in the UK and other countries with a cooler climate. Early maturing, even in cool summers, it has a vibrant deep orange smooth skin which is easy to carve and the fruits store well due to their good tolerance to soft rots. Strong fruit stalks (handles) means they stay attached strongly to the fruit after harvest which further improves storage and appearance.

Profile:

Plant Habit	Trailing	Days to Maturity	95 days
Fruit Uniformity	Hybrid	Weight	13-18 lbs
Fruit Color	Dark Orange	Diameter	10-13 inches
Fruit Shape	Round	Fruits per plant	4

Key:

Cavity Size 1 = Large 5 = Small

Flesh Colour 1 = Pale 5 = Dark
