

Leek

Warwick F1 TZ 9249

General Description:

A vigorous, first early, hybrid variety for transplants and direct sowing. This variety has performed well in summer productions in central Spain showing it is well adapted to high temperatures. Smooth compact shanks provide a good weight advantage and quality for processing and prepack markets.

Profile:

Earliness	8
Leaf Colour	7
Habit	7
Shaft Length	6

Key:

Earliness:	1 = slow growing	10 = fast growing
Leaf colour:	1 = light green	10 = dark green
Plant type:	1 = less erect	10 = erect
Shaft length :	1 = short	10 = long

The information that has been provided is an average of the data gathered from various trial locations. Please be aware that variations in the growing environment and climatic conditions can render this information inaccurate, it is intended for general guidance only.
